LOOSE LEAF TEA

— OUR TEA —

Central to the tradition of taking Afternoon Tea is the tea itself. Our expert merchants at Storm Tea have sourced rare, authentic teas & tisanes from around the world. Like us they care deeply about provenance, working with the farmers themselves to support organic produce & select teas that promote good health. Our teas are packed with amazing flavours.

ALEXANDER'S

THE HISTORY OF AFTERNOON TEA

Once the preserve of the English aristocracy, afternoon tea is the signature event of The Parlour and The Terrace at Alexander's.

It was originally introduced in 1840 by Anna, the 7th Duchess of Bedford (a companion of Queen Victoria) as a way of curbing her hunger between luncheon and dinner. Alexander's afternoon tea is a celebration of local produce made into tasty treats & delivered on our wonderful collection of vintage china.
