## *Welcome*

Firstly, congratulations on your engagement!

Here at Alexander's, we specialise in relaxed and unique weddings.

Situated at the top of Skipton's picturesque High Street and with a choice of fabulous spaces we play host to small intimate and quirky get-togethers as well as large scale 'no holds barred' classic English weddings.

We like to offer our couples complete flexibility when it comes to designing their day.

As such, you will not see any all inclusive packages here, as we want to enable our couples the opportunity to select each element of their day individually.

This brochure is designed to give you an idea of just some of the options available to you.

Please let us know what you would like, and we can provide you with an accurate and bespoke quote for your day.

Our dedicated and experienced wedding team are on hand to guide you through the whole process so please do get in touch.

Kind regards,

## Drinks

After years hosting weddings of different styles, we have found that asking couples to conform to a specific drinks package doesn't work. That's why we allow all of our couples the chance to tailor their drinks order to each part of their day as they see fit.

Our huge selection of fine wines, craft beers, cocktails, mocktails and more offer couples the ultimate choice when selecting their wedding day drinks.

Below is just one example of how a wedding drinks order could look.

### WELCOME DRINKS

We highly recommend all couples pre-order welcome drinks for their guests. There's nothing worse than lots of thirsty guests and a queue at the bar! Popular choices include Prosecco, Peroni, Orange juice and Elderflower Fizz.

From £6.50 Per Person

### SOMETHING FOR THE MEAL

Wine is the classic choice to accompany any wedding breakfast, and at Alexander's we have a fantastic selection of fine wines to pair with your chosen menu. Alternatively, if wine isn't your thing, just choose from our drinks menu!

From £12 Per Person

### THE TOAST!

The first toast of married life is always a highlight so there's nothing better than a glass of fizz to toast your new Mr or Mrs! Choose from our selection of Proseccos, Champagnes and alcohol-free alternatives for this special moment.

From £8 Per Person

Our talented bar team are also able to offer couples the opportunity to design and create their own signature cocktail for the day!

This could be themed to represent a significant moment in your relationship, such as a favourite holiday destination, a twist on a classic, or something completely new that is suited to your tastes!

Get in touch to find out how we can help you create something special!

## Food

Our Wedding Menus have been carefully created by Head Chef, Aaron Temple, to give couples a fantastic range of options. From sharing platters to canapés, buffets to 3 course meals, nibbles to BBQs, we've got it all.

All of our menus cater for common dietary requirements including gluten free, dairy free, vegetarian and vegan, so there's no need to worry about accommodating all of your guests! We have a separate children's menu with favourites such as pasta and fish & chips, but are equally happy to use your main menu as the basis for a smaller, simpler children's portion so that even the littlest guests can feel included in the celebrations!

### THE GRAND BUFFET MENU

Ideal for creating an informal dining experience that is still of the highest quality. With family favourites including fish & chips, Yorkshire puddings and brownies, there's something for everyone.

From £39  
Per Person

### A TASTE OF ALEXANDER'S

Taking the best from across our menus we have created a wonderful banquet style menu. Served on boards in the middle of the table this is the perfect for couples who want a formal sit down meal, but without the hassle of a set menu.

From £40  
Per Person

### BESPOKE SET MENUS

The perfect option for those looking for a more traditional set menu. Choose dishes from any of our menus and let us help you build the perfect menu for you and your guests.

From £45  
Per Person

No matter what you have in mind, we are confident we will be able to help you find or create the right menu to suit you. Even if that includes recreation of Grandma's homemade apple crumble to make your day feel 100% complete- just let us know and we will see what we can do!
